

## Testimonials!

"Dr. Olatunji possesses a great deal of expertise in collection and analysis of data, organizational skills, and knowledge of the education profession. However, his most important attribute in my opinion is his commitment to improving academic achievement for all students..."

He would be an asset to any school district in any professional capacity."

*Richard A. Moniuszko*  
**former Deputy Superintendent**  
**Fairfax County Public Schools**

"Dr. Olatunji possesses the ability to examine educational issues in an objective and clear manner, using sound research practices and methodologies. His technical skills, work ethic, and professional dedication clearly enable him to improve educational projects..."

I recommend him highly."

*Patrick K. Murphy*  
**Superintendent**  
**Arlington Public Schools**

"Having known him for so many years, I can confirm personally that Dr. Olatunji has added great value wherever he has worked or volunteered!"

*John S. Wilson, Jr.*  
**former Executive Director**  
**The White House Initiative on Historically Black Colleges and Universities**

**ALIGN EDUCATION, LLC**

*"R&D to advance our youth!"*

- 🔗 **Meet contract compliance!**
- 🔗 **Improve program outcomes!**
- 🔗 **Increase agency funding!**
- 🔗 **Reduce evaluation costs!**

*SBA 8(a), MBE Certified*

## ALIGN EDUCATION®, LLC

Align Education, LLC, is a consulting research and development firm. We aim to improve student achievement by developing educational programs, especially those that address the emotional as well as intellectual needs of youth. Hence, our motto:

*“Passion propels performance!”*

### SERVICES

To accomplish our mission, the company partners with government agencies, universities, and nonprofit organizations. To this end, we offer three major services:

- Professional Development
- Program Evaluation
- Technical Assistance

To ensure the effectiveness of services, our business approach focuses on achieving:

- customer satisfaction
- desired outcomes

In short, we help others to align education, developing youth who not only are prepared but also empowered for the 21st century!

### Professional Development

Align Education makes special presentations on upon request. Topics focus on student engagement and achievement at the secondary and college levels.

### Program Evaluation

As a result of our customer-focused business approach, clients experience these benefits:

- ✓ Useful information for program improvement and decision making
- ✓ Deeper understanding and appreciation for using data
- ✓ Enhanced ability to manage data

Depending on the nature of the program, evaluations usually takes anywhere from two to twelve months and include:

- quasi-experimental designs
- quantitative and qualitative methods
- technical assistance

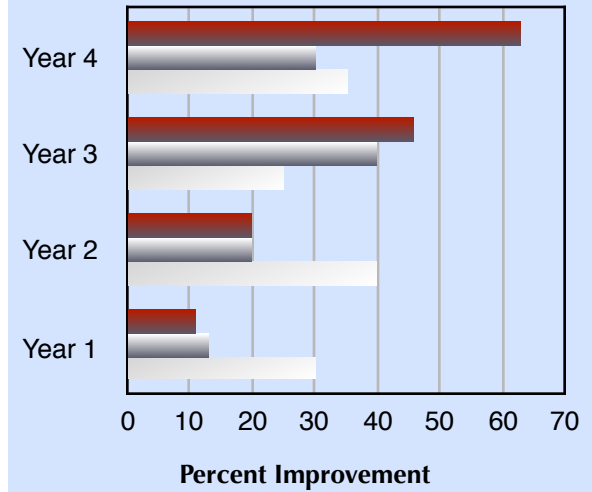

Align Education embraces the guiding principles of the American Evaluation Association and the Joint Committee on Standards for Educational Evaluation.

### Technical Assistance

Align Education supports and develops the programs of agencies through customized applications of its technical skills according to client specifications. Examples include:

- strategic planning and grant writing
- developing performance metrics
- designing and administering surveys

### How well are your programs performing?

### EXPERIENCE
